SURIGAO DEL SUR PROVINCIAL COVID ADVISORY NO. 12

The Surveillance Unit of Provincial Health Office has gathered and validated data that as of November 25, 2020 the City of Bislig has recorded **NO Active Cases** since the declaration of Local Transmission two months ago.

Therefore, the spread of the virus has been contained and controlled through the prompt response of the City Government and City Health Office of Bislig.

Let us sustain this initial gain by continuing to follow the minimum health standards at all times.

Be A BIDA SOLUSYON Kontra COVID-19.
