**SUBJECT : SUSPENSION OF TINUY-AN FALLS OPERATION DUE TO COVID-19**

On the strength of the DILG Advisory dated March 10, 2020, relative to the growing threat of COVID-19 and its propensity to infect large numbers of people through crowds and large gathering especially in our Tourist Attraction areas, particularly in our grand and majestic Tinuy-an Falls, you hereby directed to postpone and/or reschedule all activities that will involve gathering, picnicking, swimming and sightseeing of people in a crowd regardless of size. This is also in consonance with the Resolution No. 10 series of 2020, of the Inter-Agency Task Force for the Management of Emerging Infectious Diseases, which recommends the imposition of Social Distancing Measures.

The postponement shall affect all activities scheduled beginning March 11, 2020, and shall continue to persist i.e., in accordance with the Proclamation 922 on March 8, 2020, declaring a State of Public Health Emergency to take effect until lifted or withdrawn by the President. All future amendments to the postponement windows shall be communicated through an advisory to be released by the Office of the undersigned.

All are further advised to observe all safety measures as promulgated by the Department of Health through our City Health Office (CHO) and to cooperate in any effort of the government to keep the spread of the virus under monitoring.

For strict compliance.
